Harold -

I suppose you're wondering what happened to me. Well I toured the country and got exposed to many things, but I ended up coming here to study to become an enlightenment master. My address is:

Dan Zologa
c/o Institute of Ability
P.O. Box 798
Lucerne Valley, Calif.
92356

Have you heard from Fr. McGee in Houghton yet. I've kept reminding him to write you.

Well, that's it for now.

How's everything with you & the Mrs.?

With affinity,
Dan
